Dear Parents and Guardians:

**\*HYBRID SCHEDULE CHANGE\***

I am writing to remind you that Second Quarter is starting **Tuesday, November 17<sup>th</sup>** and we will be switching our Hybrid schedule as planned to the following:

Tuesday/Wednesday    **Juniors (11) and Seniors (12)**

Thursday/Friday        **Freshman (9) and Sophomores (10)**

This will allow upperclassman to participate in Extended Advisory in person as well as an additional Project Block. There will be no other changes to the schedule. All students will be expected to follow the schedule on remote days.

It's almost time for **STUDENT LED CONFERENCES!**

We are conducting these differently this year by asking all conferences to take place on the following days: **Monday, December 7<sup>th</sup> and Monday, December 14<sup>th</sup> between 9:30am – 5:00pm**. These conferences are an opportunity to meet with your student's advisor, see the classroom and visit the school building. Each conference is roughly forty-five minutes and advisors will reach out to schedule them with you. There may be an opportunity to meet teachers and administrators as well.

Refreshments will be served in our lobby and student work will be on display. Students are expected to attend and lead the conferences. We look forward to seeing you here!

I hope the fall has been as smooth as possible for your family, please let us know if you have any questions or concerns.

Sincerely,
